

Part Time positions available at a
A Good Time Out

Applicants **MUST** be willing to work a minimum of 20 hours per week; some positions may even reach up to 35 hours per week. Applicants must have an open schedule; meaning: a variety of shifts will be available per week, not simply Mon-Fri 8-5; **MUST** be available to work Friday nights and Saturday days/nights.

A Good Time Out is a drop in, hourly play care center. We provide care for ages 0-12 years old. We do not operate the same as a standard child care facility; because we accept drop-ins, our enrollment could be anywhere from 5 to 46 children at any given time. When children come and visit, we don't know when we will see that child again; it could be a day, a week, a month, or even again later that day. It will be your job to ensure that every child is provided with a variety of engaging activities that make them want to come back. We show them a "good time" and they keep coming back for more. Our staff members offer age appropriate crafts, games, and activities...most of the crying takes place because children don't want to leave, not because they don't want to be dropped off.

If you have an open, flexible schedule, a lot of energy, can be creative and think on your feet, can be part of a team, and generally enjoy spending your days/evenings with children...there may be a place for you in our little family.
